Erratum to: Crowd behavior representation: an attribute-based approach

Hamidreza Rabiee¹, Javad Haddadnia^{2*}, Hossein Mousavi³, Moin Nabi⁴, Vittorio Murino³ and Nicu Sebe⁴

Erratum to: SpringerPlus (2016) 5:1179
DOI 10.1186/s40064-016-2786-0

After publication of this article (Rabiee et al. 2016), we noticed that some of the authors were inadvertently omitted from the author list. These authors, Moin Nabi, Vittorio Murino and Nicu Sebe, have been included in the corrected author list above. Additionally, the images in Fig. 1 have been removed from this article as we did not obtain the necessary permissions to publish them. This does not affect the scientific validity of the article.

Authors' contributions

HR, JH, HM, MN and VM designed and created the crowd dataset and provided the corresponding ground-truth labels for videos and frames; HR, JH, HM, MN, VM and NS participated in the design of the study, analyzed data and wrote the paper; HM and MN designed experiments; HR and HM performed experiments. All authors read and approved the final manuscript.

Author details

¹ Electrical Engineering Department, Hakim Sabzevari University, Sabzevar, Iran. ² Biomedical Engineering Department, Hakim Sabzevari University, Sabzevar, Iran. ³ Pattern Analysis and Computer Vision Department (PAVIS), Istituto Italiano di Tecnologia, Genoa, Italy. ⁴ DISI, University of Trento, Trento, Italy.

Acknowledgements

This work was supported by the Image Processing and Computer vision Lab of Hakim Sabzevari University, Iran, and Istituto Italiano di Tecnologia, Genova, Italy, and University of Trento, Trento, Italy.

Competing interests

The authors declare that they have no competing interests.
